

Regional Justice Reform Councils

Regional Justice Reform Councils were created in

6

regions with the support of the EU Project Pravo-Justice

REGIONAL TEAMS:

Consist of:

Self-paced and autonomously managed

representatives of all legal professions

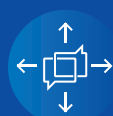

civil society organisations

academia

GOALS:

Contributing to **the policy making** – via dialogue and feedback relationship between the regions and the central level

Supporting inclusiveness of the policy making process – **through involvement of CSOs and academia**

Improving **impact of reform efforts** in the regions

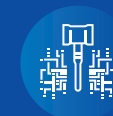

FIRST INITIATIVES:

Development of justice sector reform priorities and of an action plan on their implementation

Bankruptcy law analysis and implementation, more effective enforcement of court decisions through gradual privatisation of enforcement service

Boosting introduction of e-justice, and of automatic exchange of information between state registers

Monitoring of **procedural codes implementation**

Ensuring **independence and impartiality** of judiciary
